PROFESSIONAL SUMMARY

AI & Machine Learning Engineering graduate with hands-on experience in Python, SQL, Machine Learning, Deep Learning, Computer Vision, Data Analysis, and Software Development. Skilled in developing AI-based applications and web solutions using TensorFlow, OpenCV, Pandas, NumPy, React.js, Next.js, Node.js, MongoDB, and REST APIs. Proficient in Excel, Power BI, Selenium, and Git/GitHub, with strong problem-solving skills and a passion for building scalable technology solutions.

EDUCATION

Gokaraju Rangaraju Institute of Engineering and Technology	Apr 2026
Bachelor's Degree in Artificial Intelligence and Machine Learning	
Teegala Krishna Reddy Engineering College	May 2022
Diploma in Computer Science Management	

SKILLS

Technical:	Python, JavaScript, SQL, Artificial Intelligence, HTML, CSS, Vercel, Supabase, GitHub, VS Code, API Integration, Debugging
Soft Skills:	Problem Solving, Analytical Thinking, Communication Skills, Adaptability & Quick Learning, Time Management, Self-Motivation, Attention to Detail, Creativity and Innovation, Continuous Learning Mindset

PROJECTS

Driver Booking Management System
- Developed a full-stack web application to connect vehicle owners with professional drivers for hourly bookings. - Implemented booking management, driver availability tracking, customer management, and ride status updates.
Technologies: Next.js, React.js, JavaScript, Node.js, MongoDB, REST APIs, Tailwind CSS
Portfolio Website
- Designed and developed a personal portfolio website to showcase skills, projects, and professional profile. - Created responsive UI components with modern frontend practices.
Technologies: Next.js, React.js, JavaScript, HTML, CSS
Recipe Generation from Food Image using Deep Learning
- Developed an AI-based application that generates recipe suggestions from food images using deep learning techniques. - Implemented image processing and feature extraction using Computer Vision models.
Technologies: Python, Deep Learning, Computer Vision, TensorFlow, OpenCV, CNN, NLP

CERTIFICATIONS

Introduction to Internet of Things
NPTEL
Design, Technology and Innovation
NPTEL
Python and Amazon Web Services
